SPEAKER ON FINANCIAL ABUSE OF THE ELDERLY AT WOODBINE COMMUNITY CENTER

Woodbine—Mayor William Pikolycky is pleased to announce that Greg Banks of Angel Alliance Caregivers will be giving a talk with discussion on “Financial Abuse of the Elderly” at the Woodbine Community Center, 812 Longfellow Street, Woodbine, on February 1, 2012, at 1:30 p.m.

“This comes at a good time given the current financial situation especially as it applies to those on a fixed income,” noted Mayor Pikolycky. “We are all aware that seniors are often preyed upon by unscrupulous individuals and organizations, by mail, telephone, and even door-to door solicitation. This talk will enable our senior to ask questions especially in light of their shared personal experiences in such situations. I thank Angel Alliance Caregivers for putting on this program”
