A MESSAGE FROM OUR DIRECTOR

Leonard C. Desiderio

Dear Friends,

On behalf of the Board of Cape May County Commissioners, thank you for your continued support and interest in our County government.

As Director, I share a unified effort with our Board to do what best serves the people of Cape May County. With that in mind, in my first year as Director, Cape May County saw a significant tax decrease and our governing body continues to practice sound financial responsibility, while making priority investments in our critical infrastructure Countywide.

However, as the Board Director of Cape May County, Mayor of Sea Isle City, and a resident/citizen of this County, I understand that this is a busy area with a lot going on 24-7/365. From construction projects and community partnerships, to our day-to-day operations that includes a number of program offerings from one of our various County Departments, our County has a lot to offer.

With that in mind, it can be hard to keep track of everything that the County is doing to improve your quality of life. To keep the general public informed and our government transparent, I wanted to make every effort in 2024 to distribute this Newsletter that includes updates on all things Cape May County. Accordingly, these Newsletters will be posted quarterly on the County's website, as well as distributed by email for those that register for County updates at the link below. Our County government is always and will continue to be here for YOU. Thank you again for your continued support.

Sincerely,

**Leonard C. Desiderio
Commissioner Director**

CAPE MAY COUNTY ZOO RECEIVES \$10,000 DONATION

On Friday, December 8th, 2023, Anthony Anzelone presented a check for \$10,000 to Cape May County Commissioner Director Len Desiderio, Commissioner Andrew Bulakowski, and Parks Director Edward Runyon to support future capital improvements at the Cape May County Park and Zoo. Donations like this help to support capital improvements like the highly anticipated Zoo Education Wing at Atlantic Cape's Cape May Court House campus that is currently under construction.

"We appreciate the generous donation by Anthony Anzelone to assist future projects at the Zoo," said Cape May County Commissioner and liaison to the Cape May County Zoo, Andrew Bulakowski. "It's gifts like these that help keep the Cape May County Zoo the jewel that it is."

"The Cape May County Zoo has meant so much to me and my family," said Anthony Anzelone. "I want to do my part to make sure the Zoo that our family loves so much continues its tradition of excellence."

CMC Director Desiderio Calls on All Mayors and Administrators for First Mayors Roundtable of 2024

Cape May Court House, NJ - On Friday, February 16th, County Officials met with the Mayors and Administrators of all 16 municipalities of Cape May County to discuss a range of issues facing the County and municipalities in 2024. Topics of discussions included but were not limited to, Ocean Wind, Open Space, Mixed Income Housing, Countywide Dispatch, Shared Service Agreements, and a series of recent and potentially forthcoming laws being advanced in Trenton that will impact Counties and municipalities statewide. State law updates involving juvenile underage drinking and COAH were provided by the County Prosecutor's Office and Assemblymen McClellan and Simonsen of Legislative District 1.

A continued effort of Director Desiderio that started in 2023, the Mayors Roundtables serve as a vital platform for collaborative dialogue and problem-solving among local government leaders, providing an opportunity to exchange ideas, share best practices, and address shared challenges throughout the County. These quarterly meetings play a pivotal role in fostering cooperation and coordination between the County and its municipalities.

"Being the Mayor of Sea Isle City, I understand that the municipal problems are County problems and it's our constituents that count on us to collaboratively work together to solve the issues facing Cape May County," said Director Desiderio.

Commissioner Barr also stated, "I'm honored to have been a guest of the Director for my first Mayors Roundtable, and coming from a municipal background, I can see why these meetings are so important. I look forward to continuing to work with local officials toward future partnerships that make sense to the residents of Cape May County."

With a dynamic agenda that adapts to the evolving needs and priorities of the communities, the Mayors Roundtables ensure that discussions remain relevant and responsive to current events happening throughout the County. By engaging in constructive dialogue and strategic planning, County and Municipal Leaders can work together to enhance the quality of life for our residents.

CAPE MAY COUNTY BOARD IMPLEMENTS ADHOC COMMITTEES TO TACKLE SOME OF CAPE MAY COUNTY'S MOST PRESSING ISSUES

On Tuesday, February 12th, the Board of County Commissioners adopted a resolution to establish ad hoc committees to address certain initiatives that the Board has determined to be priorities of the County of Cape May and its residents. This action marks a commitment by us to reaching these goals, but also to the public for accountability with the results. We are excited about undertaking this work. These committees do not, of course, reflect all the great and important work that will be done at the County this year, but it marks new initiatives that we plan to undertake in 2024. These committees are tasked with studying and ultimately making recommendations to the Board of Commissioners on each issue. With all of this in mind, the following committees were established by Resolution #106-24 on 2/13/24:

AD HOC COMMITTEE ON HOMELESSNESS IN CAPE MAY COUNTY
Commissioner Morey, Chair and Commissioner Barr

AD HOC COMMITTEE ON MIXED INCOME HOUSING
Commissioner Director Desiderio, Chair and Commissioner Barr

AD HOC COMMITTEE ON RECREATION AND FACILITY IMPROVEMENTS
Vice Director Bulakowski, Chair and Director Desiderio

AD HOC COMMITTEE TO EXPAND EDUCATIONAL OPPORTUNITIES WITHIN CAPE MAY COUNTY
Commissioner Collette, Chair and Vice Director Bulakowski

AD HOC COMMITTEE ON THE REVITALIZATION OF THE PACIFIC AVENUE DEVELOPMENT ZONE IN WILDWOOD
Commissioner Barr, Chair and Commissioner Morey

AD HOC COMMITTEE ON THE REVITALIZATION OF RIO GRANDE
Director Desiderio, Chair and Commissioner Barr

AD HOC COMMITTEE ON INTERGOVERNMENTAL AFFAIRS FOR STATE AND FEDERAL GOVERNING BODIES
Commissioner Collette, Chair and Commissioner Barr

The Board and I are confident that by establishing these AD HOC Committees formally by Resolution, our governing body is able to ensure a focused and dedicated approach to address these critical issues individually.
